

COSTUME PLOT - "FOREVER PLAID"

There are four lead characters in "Forever Plaid": Francis, Smudge, Sparky and Jinx. They each need a set of the following:

Costume #1: white crew or v-neck undershirt, black knee-high socks, black pleated front tuxedo pants, pink (laydown collar) pleated front tuxedo shirt with studs, white shawl-collar dinner jacket, red boutonniere, class ring, black wing tip shoes and matching sets of red (Royal Stewart) plaid: pocket square, bowtie, cummerbund & suspenders plus a matching plaid shoulder sash

Costume #2: white pocket square, white boutonniere, matching plaid dinner jacket (shawl collar)

NOTE: The original production used a maroon and royal upholstery plaid, but there is no script reference or mandate on plaid type - Shawl collar & lining was royal blue satin

IMPORTANT: Each character needs to have their name inside the jacket (wearer's left; below breast pocket area) - FOR RENTAL PURPOSES: Have name embroidered in white script - large enough to be read from audience - on matching lining fabric and adhere with velcro. Thus, jackets/names can be interchangeable according to size variations.

HELPFUL HINT: Smudge needs his pink shirt rigged with velcro at the top two buttons (still allowing stud to slip in at 2nd button) and his bowtie needs to be rigged with Velcro at center front and snapped under shirt collar center back for ripping during "Rags to Riches"

A gold cardigan with initials "PC" embroidered on (for Perry Como)

Francis - needs ID bracelet

Piano Player and Bass player also will be costumed; usually in black tuxedos - ask director for specifications
